PUBLIC SAFETY:
Sheriff's Report
- In packet for review

Out of District Incidents Report
- There was one incident in June included in the packet for review

CSO Report, Deputy Warren
- 1055 calls for July 2026 and 131 reports made
- Increased patrols are being conducted in school zones, including monitoring school buses, with additional patrol presence in local shopping areas. Since the demolition of the Baymont Inn, deputies have observed increased homeless activity around the shopping areas and will continue monitoring the area while providing resources as appropriate. The Sheriff's Office reminded the public not to vandalize or remove Flock cameras and to report any such activity to 911; questions regarding the cameras may be directed to Lt. Leach or Capt. Kromick.
- A Donuts with Deputies community event is planned for later in the month, with details to be announced.

- Capt. Kromick attended the meeting to observe the Trustee meeting process and formally introduce himself.
- The Board also discussed a vacant parcel located between the strip mall near Jimmy John's, Airport Highway, and the expressway, following concerns about possible homeless encampments on the property. The property owner has authorized the Sheriff's Office to access and monitor the property. Deputies will inspect the area, including use of a drone if appropriate, and will continue monitoring for foot traffic or activity coming from the parcel toward nearby businesses.

Fire/EMS Monthly Report, Jon Ziehr, Fire Chief

- 457 runs for August with the monthly fire loss report showing $548,200 in property value involved in fires, with an estimated property loss of $11,500. Contents involved were valued at $155,000, with an estimated content loss of $5,500.
- Regional and Community Coordination
  - Chief Ziehr attended a planning meeting at Springfield Schools Administration for the upcoming Senior Citizen Health Fair to be held this fall at Springfield High School.
- Fire Prevention, Facilities, and Billing
  - Springfield Township Administrator Glenn, Trustee Anderson, and Fire Administration continue to meet with architects and engineers regarding forthcoming remodels and additions at Stations 51 and 53. The construction manager for Station 51 has been selected, and Chief Ziehr participated in the selection process.
  - Fire Administration and Administrator Glenn continue to work toward Fire-Based Billing. Springfield Township Fire and Rescue currently has a contract for EMS billing through EMSMC, which also offers Fire-Based Billing as an option. The IWorQ software platform was also reviewed for its potential to assist with permit fee collection.
- EMS and Regional Public Safety Initiatives
  - All hose and ladders underwent annual NFPA (National Fire Protection Association) mandated testing by a third-party vendor.
- Public Relations Events
  - Springfield Township Fire and Rescue, Bubba's Towing, and Springfield Local Schools partnered to present school bus safety training to bus drivers and school staff. The realistic training demonstrated what occurs when a school bus is involved in a major crash.
  - Springfield Township Fire Department personnel were present at the Huddle on Hall event at Springfield High School to kick off the 2026 football season. Good luck, Blue Devils!
  - Our Battalion Chief attended Springfield High School's annual Senior Paint-a-Parking-Spot event and had the honor of serving as one of the judges.
  - Our staff was invited and attended the annual Islamic Center of Northwest Ohio Multicultural Community Day. Those in attendance had the opportunity to explore foods from around the world while giving children an opportunity to view department apparatus.
- Training
  - All crew members completed a walk-through of the new four-story Green Oaks complex in the Village of Holland. This preplanning improves firefighter familiarity with the facility layout and protection systems in preparation for future emergency responses.
  - Pediatric drowning and respiratory emergencies were reviewed with all crew members during in-person training at the YMCA. The department appreciates the YMCA for allowing personnel to train at its facility and use the pool.

- Additional reports include Fire Prevention Bureau August activity noting 159 events for August and 1,607 YTD total events, Community Risk Reduction Monthly Report and Summary, and Support Services Monthly Report

- Station 51 Update – still awaiting the mosque's response regarding the proposed easement. The new design team and Construction Manager at Risk participated in their first meeting with the Township. During the meeting, a potential floodplain issue was identified that could require the addition and portions of the existing structure to be raised approximately two feet. The Township is reviewing alternatives, including the potential cost of modifying the current plan versus starting a new construction project while continuing to use the existing station throughout construction to avoid impacts to emergency response times. Additional cost information is being developed, with further discussion expected next month.
- Station 53 – the design team continues to work on the project. A preliminary floor plan has been developed that would relocate the entrance to the front of the station. The design team will continue refining the floor plan and developing additional roof and construction details.

- Baymont Hotel Update – Demolition complete August 26, all documents have been sent to Auditor to place lien on property for costs.
